Dear Parent/Guardian/Youth:

During the 2018/2019 school year, your child(ren) received services under the McKinney-Vento Homeless Assistance Act. In an effort to help you transition into the upcoming school year, we have included some information below. ***Please feel free to call, write, email, or stop in at your child's school if you have questions.*** (Lindsay Brashears @Creston OR Amy Ritchy @Wilbur).

If you found housing during the school year and continued to send your child to their school of origin until the end of this school year; ***or*** if you found permanent housing over the summer, please remember to enroll your child(ren) in their neighborhood school prior to the beginning of the new school year. If you need assistance finding the new school's contact or enrollment information, please give us a call and we can assist you.

If you believe that your child(ren) is still eligible for McKinney-Vento services at the beginning of the new school year, you may enroll your child in their neighborhood school or you may request that your child(ren) remain in their school of origin for the next school year. School staff can help you with this process if your child continues to meet the Federal definition of homelessness under the McKinney-Vento Homeless Assistance Act.

As summer comes to an end, school district staff will attempt to contact you to discuss these options. Please be sure that your contact information is current with school staff. If you do not hear from us, or if your contact information changes, please let school staff know that you would like to discuss the McKinney-Vento program with the school district's Homeless Liaison.

Again, if you have any questions or concerns regarding your child(ren)'s eligibility for services under the McKinney-Vento Homeless Assistance Act, please feel free to give us a call, email, write, or stop in to see us. We will be happy to assist you in any way possible.

Sincerely,

McKinney-Vento Homeless Liaisons
