

Wilbur Schools
Technology User Agreement and Fee Schedule
2020-2021

The educational program at Wilbur Schools includes a Chromebook that will be issued to your student for their use at school and home.

Like textbooks, team uniforms, library books, and other school property issued to your student, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent an increased cost to the district and liability to students and parents. We know that loss and accidents will happen. District policies, regulations and practices require that a procedure be in place to cover the repair or replacement cost of district property.

Starting with this school year, we will no longer be assessing a yearly fee for the use of technology; instead we will require students to cover the repair or replacement of lost, damaged, or stolen equipment that has been assigned to them. Below is the approximate cost for repair and replacement of Chromebooks and their power supplies.

Full Replacement Cost Schedule

Chromebook:	\$250
Broken Screen:	\$75
Missing Keys/Broken Keyboard:	\$75
Lost/Stolen/Broken Power Adapter:	\$20

Chromebooks remain the property of the school, any Chromebook that is lost or stolen will be remotely disabled and all functionality removed until the Chromebook is returned. Likewise, any Chromebook not turned at the end of the school year will be similarly disabled.
